Cooperation with Algebra University College, Croatia / Summer School / special offer for your students

Dear Mr. Herman,

I would like to take this opportunity to thank you for interest for cooperation with the Croatian Universities and for successful visit to Zagreb.

The Embassy of the Republic of Croatia in Jakarta is looking forward to enhance future cooperation and to hearing from your side in the future possibilities to organize more frequent mutual visits between two Universities in order to strengthen cooperation and relations between Croatia and Indonesia.

Kindly, let me also remind you about the Summer School program of Algebra University College for 2017.

The Summer School will be held in **Zadar** and in **Zagreb** during **June** and **July** 2017 and the following courses will be offered at our Summer School program:

1. Digital marketing
2. 3D animation & simulation
3. Mobile application development
4. Cyber Security

Algebra will enable students to also participate in three free weekly workshops:

1. Financing early stage startups
2. Smart Cities
3. Critical Thinking and Creativity

Summer School program is more than lectures and workshops – your students will have time to meet outstanding and ambitious colleagues from all over the world. Algebra wants to introduce them to some of Croatia's world-renowned places and its rich cultural and natural treasures. The program offers a fantastic summer experience in the cities of Zagreb and Zadar (on the Adriatic coast) and enables the students to explore the rich cultural and historical heritage of Croatia.

Algebra is a member of the most renowned academic IT initiatives like Microsoft, Google, IBM Academic Initiative, Oracle Academy, Microsoft IT Academy, Cisco Networking Academy, EMC Academic Alliance which will be supporting the Summer School program.

**Algebra is interested in offering a full scholarship on the Tuition Fee for one of your students in order to ease the amount of costs for the Summer School students coming to Croatia. Apart from that, we would like to offer all your other students a 50% scholarship on the Tuition Fee for our Summer School – instead of 1500 EUR, they can enrol our summer courses for the price of 750 EUR. Trip and accommodation are to be covered by the student. Students will be awarded 6 ECTS/3 US credits per course. *The students can apply the latest by June 2.***

Algebra arranged special prices for accommodation in hostels in Zagreb & Zadar, the price for the accommodation is around 500-600 EUR for all three weeks of our Summer School. Attached you can find the brochure for the Summer School.

The Embassy of the Republic of Croatia in Jakarta would appreciate if you could share information on the Summer School program with your students.

In case you have any questions about the Summer School programs or you have any offers you would like to share with the Croatian students or staff, please do not hesitate to contact Embassy of Croatia in Jakarta or Algebra directly.

Sincerely yours,

Dražen Margeta  
Ambassador
