Company Profile

August 2016

PT. Cinovasi Rekaprima

Jln. Sultan Iskandar Muda No. 31 J
Jakarta Selatan 12240, Indonesia

Ph +62 21 72895777 | Fax +62 21 72895111

PT. Cinovasi Rekaprima (Cinovasi) was established in July 7th 2007. Cinovasi was previously a technopark entity operating as R&D lab & industry affiliation unit since 1995.

Cinovasi, with 2 decades of experience, has been developing smart business ecosystems and providing: operational technology (OT) and information technology (IT) solutions, systems integration services, engineering and consulting services; enabling clients' digital enterprises transformation.

Cinovasi established technology alliances with 9 prominent global technology solution providers (principals), and has over than 120 professional consultants, engineers, and trained professionals.

In 2015, Cinovasi launched its technology R&D subsidiary company: PT. WOW Teknologi Indonesia; and its technology learning & development institute: Cinovasi Technology Academy (CTA).
