About Bank Negara Indonesia

Rich in history, strong financial health, excellent human resources, and reliable technology, BNI certainly has been on the right track to become a national bank with global capabilities. Since its establishment in 1946, BNI has always been part of the dynamics of national development in Indonesia. Now BNI has grown and developed into a solid national bank with sustainable financial performance. ‘Serving the Country, Pride of the Nation’, BNI is challenged to continue and increase its contribution for the progress of the nation and country, today and in the future. BNI offers integrated financial services to its customers, supported by its subsidiaries: Bank BNI Syariah, BNI Multi Finance, BNI Securities, BNI Remittance and BNI Life Insurance. BNI believes that human resources are one of the most valuable assets of any company or organization, without which sustainability is not possible. BNI seeks to create a great place to contribute, learn, and grow, to be the pride of the nation.
