Working visit to Croatia_Follow up

Dear Mr. Soegoto,

I use this opportunity to express my appreciation of meeting you in Zagreb on the Working visit to Croatia at HUP (meeting APTISI & CEA-AE) last Friday. I would like to share some details on our Business School PAR.

Firstly, we are the only business school in Primorje-Gorski Kotar County accredited by the Croatian Ministry of Science, Education and Sports that conducts an **undergraduate professional study program Business Management** and several international programs. The Business School PAR is a modern higher education institution with an all-encompassing approach to professional education. The professional study program is conducted in close cooperation with the business sector and through partnerships with leading SMEs, which provides students with valuable experience based on equal proportions of theory and practice.

The educational principles that drive the Business School PAR are building experience, practicing skills, testing ideas, and creating strong professionals.

I am sending you our international brochure in the attachment, and if you need more information on our programs or have a proposal for cooperation, please contact my colleague Valentina Janjetic who is in charge of international cooperation.

Also, I would like to invite your students to our Summer school Sail & Learn. Sail & Learn offers a seven – day cruise along the southern Croatian coast with a top educational program for students. The summer school track for students is worth 5 ECTS points (3 credits). The program takes place on a sailing boat that goes from the Trogir to the islands and finishes its' route in Trogir!

I am looking forward to your response.

Best regards,

Valentina Vitenberg, struč. spec. oec.
